Past Experience

Working with our extensive network of partners and industry experts we have been able to help our customers focus on their core competencies.

National Packaging Services

We developed a just in time warehouse and distribution solution utilizing owned and 3rd party warehouses to decrease cost and increase customer satisfaction.

\$2,000,000

Fed Ex Corporation

We consolidated several facilities into a single 100,000 foot solution for Fed Ex Corporation. This facility requires internal delivery truck storage and loading due to customer requirements. We developed a scope of supply, worked with local union contractors and implemented a solution utilizing green technologies creating an LEED Compliant Facility.

\$1,000,000

McDonald Company

Our team has developed safety programs for OSHA compliance and hazardous waste programs including solutions involving hazardous waste disposal. At the McDonald Company we are continuously keeping up with EPA and DOT regulations to ensure proper disposal and safe operations.

\$4,000,000
